Call for Special Session on Financial Management

Chair: Victor Dragotă (Bucharest University of Economic Studies)

Our session is devoted to the process of financial decision-making process. In the present discussion between value versus values, our session can be a bridge, with the general purpose to discover how the strategic financial management can affect firm performance and shareholders wealth.

We are welcoming papers in all fields related to financial management: dividend policy; share repurchases (share buybacks); capital structure, earnings management; cash management; portfolio management; equity issuance; debt issuance; capital budgeting; innovation, corporate governance; ESG, etc. We are also interested in fields like Investments and Portfolio Management and Behavioural Finance.

Especially welcomed are the contributions related to Strategic Financial Management and Cultural Finance, in connection with topics in financial management.

JEL codes: G3, G4, G5, G01.

Keywords: financial management, strategic financial management, dividend policy; share repurchases (share buybacks); capital structure, earnings management; cash management; portfolio management; equity issuance; debt issuance; capital budgeting; innovation, corporate governance; ESG, behavioural finance, cultural finance, portfolio management
